

Gas Chromatography Analysis

Dear Customer,

Attached you will find the results of gas chromatographic analysis based on the information provided by our Producer/Laboratory for:

Sample Reference **1211**

We testify that the Chromatographic Analysis (GC) for the mentioned sample is identical with:

Product No.: **1211**
Product Name: **Buddha Wood Oil**
Botanical Name: **Eremophila mitchelli**
Batch No.: **1031261**

Bühl, 2023-01-20

Peak#	Name	Ret. Time	Area	Area%
12	g-selinene	33.939	771256	1.535
