

## Gas Chromatography Analysis

Dear Customer,

Attached you will find the results of gas chromatographic analysis based on the information provided by our Producer/Laboratory for:

**Sample Reference**                      **1380**

We testify that the Chromatographic Analysis (GC) for the mentioned sample is identical with:

|                        |                                           |
