

Gas Chromatography Analysis

Dear Customer,

Attached you will find the results of gas chromatographic analysis based on the information provided by our Producer/Laboratory for:

Sample Reference **2869**

We testify that the Chromatographic Analysis (GC) for the mentioned sample is identical with:

Product No.:	2869
Product Name:	Thyme lemon organic
Botanical Name:	Thymus citriodorus
Batch No.:	1030730

Bühl, 2021-08-16

TR (min)	Constituents	%
11.08	3-OCTANONE	1.71
15.04	3-OCTANOL	0.60
